

# Paihia Paintball

Grab a few mates for an action-packed, adrenaline pumping game at Paihia Paintball

This challenging course has been judged by a competitive player to be one of the best fields in the country and you'll have a blast too!

It's a great way to celebrate your birthday, a stag-do, end of season for the club or just a good excuse to go wild. And after the big game, make the losing team man the BBQ (it's free to use).
