

MILLENNIUM

HOTELS AND RESORTS

New Zealand is expected to move into the Covid-19 Protection Framework (or ‘Traffic Light System’) on or about 3 December 2021. To comply with the Framework, Millennium Hotels and Resorts will be requiring vaccine certificates for all hotel guests and visitors to the hotel premises (including restaurants, bars, meeting spaces, swimming and spa pools, spa facilities and gyms) from that date.

The reservation holder must ensure that all persons covered under their booking has a valid “My Vaccine Pass” available on arrival to be scanned or have a printed vaccine pass certificate. Persons who do not have a valid My Vaccine Pass will be asked to leave the hotel premises immediately.

Children under the age of 12 will be exempt from this policy.
